

# BOX-BUDDY™

## box handle cutter

Makes lifting and moving heavy boxes more convenient

Safe and easy to use

Lightweight tool

Consists of a retractable cutting blade & guide base

Stores easily and safely

Available in many colors

Can be custom-made with your company logo

### Having trouble lifting heavy & awkward boxes?

**BOX-BUDDY™** is a innovative, lightweight and low-cost tool that safely and easily cuts handles in the side of cardboard boxes. **BOX-BUDDY™** eliminates the awkward handling and carrying of heavy loads that could result in lower back pain and injuries.

No other cutter offers such a simple way of cutting "C" shaped holes on opposite sides of any typical style corrugated box.

**BOX-BUDDY™** can be custom-made in your company colours and embossed with your logo.

For more information about **BOX-BUDDY™**, please contact us at [sales@box-buddy.ca](mailto:sales@box-buddy.ca) or call +1 604 644 5523.

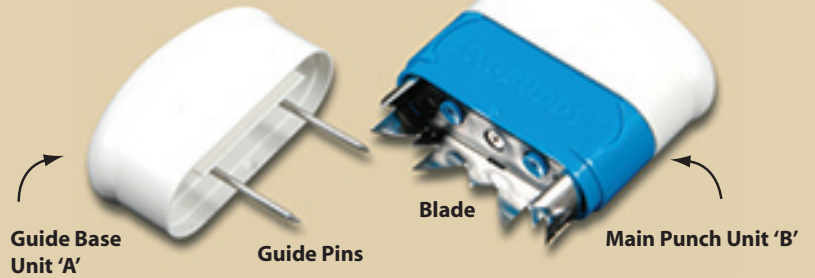

**BOX-BUDDY™ is useful in many household and professional applications:**

- Homes
- Offices
- Moving & Storage Companies
- Warehouses and Shipping Departments
- Hospitality Organizations
- Schools & Universities
- Hospitals
- Government Agencies

Push-Pull Handle

Push-Pull Handle

Separate the *Guide Base* unit 'A' from the *Main Punch* unit 'B'. Insert the *Guide Base* inside the box and locate the approximate area where you would like to cut the handle.

Press on the *Guide Base* handle until the guide pins have penetrated the wall of the box.

Align the *Main Punch* with the two guide pins with the blade opening facing upwards and press firmly against the box.

The *Main Punch* unit must be flush against the wall of the box.

Simultaneously press the *Guide Base* and the *Main Punch* together until the *Main Punch* travels its full distance, allowing the cutting blade to fully penetrate the wall of the box.

Push and bend back the 'C' shaped hole to form the handle in the side of the box.

The *Guide Base* and *Main Punch* snap together for safe and compact storage.

**Customizing and Ordering BOX-BUDDY™**
